

Greensboro November 3, 1979 Shoot-Outs

The following is a title index to articles documenting a violent clash in Greensboro between the WVO-CWP and the Klan-Nazis on November 3, 1979 and its aftermath. The articles featured in this index were published from November 1979 to November 1985 and are listed in chronological order. The Greensboro newspapers appear first while the [New York Times](#) is listed at the bottom.

Newspaper Symbols

GN - Greensboro News

GR - Greensboro Record

GN&R - Greensboro News and Record

[NYT](#) - New York Times

'il' in the title field means the article features an image

All these newspapers are held in microfilm format at the [Greensboro Public Library](#) in the Central Branch. Articles from 1993 to the present can be accessed online from the [NCLIVE](#) database available to all North Carolina libraries and its members. Out-of-state scholars can access a list of the News and Record's most recent articles on the '79 shootings (1993 to present) through an archive search of the [News and Record's website](#).
